The latest versions of the CAFL and NCFL plus a few articles are also available in a paperback book called *The Electroherbalism Frequency Lists*. Click here or on the bookcover picture for details. Note that there is nothing in the book which is not also available on this website. The book includes the CAFL, the NCFL, the CAFL Cross Reference, an Introduction to Bioelectronic Therapy Devices, James Bare's "Understanding Our Frequencies Through Harmonics Associations", and "Electrical and Frequency Effects on Pathogens."

See the [Introduction to the Frequency Lists](#) to view notes and explanations of terms used in the CAFL and NCFL.

**The CAFL is available in both PDF and text formats. Text is included below, or click on the link to view the PDF version.**
